RECITALS

WHEREAS, the State has the need to purchase and the Contractor desire to sell; and,
WHEREAS, the State has the authority to offer contracts to CPV members of the State of Minnesota and to other states.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

INTENT AND PURPOSE

The intent and purpose of this Agreement is to establish a contractual relationship with equipment manufacturers to provide, warrant, and offer maintenance services on **ALL** products proposed in their response to the RFP issued by the State of Minnesota. Delivery, support, warranty, and maintenance may be provided by the Contractor using subcontractors. The Contractor agrees to take legal responsibility for the warranty and maintenance of all products furnished under this Agreement. The Contractor is responsible for the timeliness and quality of all services provided by individual subcontractors. Subcontractor participation will be governed by individual Participating Entities, who have the sole discretion to determine if they will accept services from a subcontractor.

Individual Purchasing Entities may enter in to lease agreements for the products covered in this Master Price Agreement, if they have the legal authority to enter into these types of agreements without going through a competitive process, and if the Contractor submitted copies of its lease agreements with its response to the RFP. The lease agreements were not reviewed or evaluated as part of the RFP evaluation process. The agreements are located in Exhibit C, Value-Added Services.

The Agreement is **NOT** for the purchase of major, large hardware or hardware and software offerings. In general, individual units/configurations for servers and storage (SANs, etc.) should not exceed \$300,000 each. Desktop per unit/configuration costs should not exceed \$100,000. Printers of all types and monitors per unit/configuration costs should not exceed \$50,000 each. It is the expressed intent of some of the Participating States to set this level at not to exceed \$25,000 each, or \$50,000. Contractors must be willing to comply with these restrictions by agreeing to supply products in those price ranges only. This **IS NOT** a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration. Individual Participating States and Participating Entities may set specific limits in a participating addendum above these limits, with the prior approval of the WSCA Directors; or may set specific limits in a participating addendum below these limits.

Contractors may offer, but participating states and entities do not have to accept, limited professional services related **ONLY** to the equipment and configuration of the equipment purchased through the Agreement.

1. Definitions

“Contract” means a binding agreement for the procurement of items of tangible personal property or services. Contract and Master Price Agreement are used interchangeably in this document.

“Contractor” means the successful Responder who enters into a binding Master Price Agreement. The Contractor is responsible for all sales, support, warranty, and maintenance services for the products included in this Agreement. The Contractor must manufacture or take direct, non-assignable, legal responsibility for the manufacture of the equipment and warranty thereof. For the purposes of this Contract, the term Contractor and Contract Vendor are synonymous.

“CPV Member” is any governmental unit having independent policy making and appropriating authority, that is a member of Minnesota’s Cooperative Purchasing Venture (CPV) program.

“CPV Program.” The Cooperative Purchasing Venture (CPV) program, as established by Minn. Stat. § 16C.03, subd. 10, authorizes the commissioner of

Administration to “enter into a cooperative purchasing agreement for the provision of goods, services, and utilities with [governmental entities] ..., as described in section 471.59, subdivision 1.” Based on this authority, the commissioner of Administration, through the Materials Management Division (MMD), enters into a joint powers agreement that designates MMD as the authorized purchasing agent for the governmental entity. It is not legal for governmental entities that are not members of the CPV program to purchase from a State contract. Vendors are free to respond to other solicitations with the same prices they offer under a contract, but that is not considered use of the “State contract price.”

The Purchasing Entity's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final and binding.

A Purchasing Entity shall provide sixty (60) days notice, if possible, of its intent to terminate for reason cited above. 21. Independent Contractor

The Contractor and its agents and employees are independent contractors and are not employees of the State of Minnesota or of any participating entity. The ordering and payment process for Products or Services shall be defined in the Participating Addendum.

23. Payments to Subcontractors

In the event the Contractor hires subcontractors to perform all or some of the duties of this Contract, the Contractor understands that in accordance with Minn. Stat. § 16A.1245 the Contractor shall, within ten (10) days of the Contractor's receipt of payment from the State, pay all subcontractors and suppliers having an interest in the Contract their share of the payment for undisputed services provided by the subcontractors or suppliers. The Contractor is required to pay interest of 1-1/2 percent per month or any part of a month to the subcontractor on any undisputed amount not paid on time to the subcontractor. The minimum monthly interest penalty payment for an unpaid, undisputed balance of \$100 or more will be \$10. For an unpaid balance of less than \$100, the amount will be the actual penalty due. A subcontract that takes civil action against the Contractor to collect interest penalties and prevails will be entitled to its costs and disbursements, including attorney's fees that were incurred in bringing the action. The Contractor agrees to take all steps necessary to comply with said statute. A consultant is a subcontractor under this Contract. In the event the Contractor fails to make timely payments to a subcontractor, the State may, at its sole option and discretion, pay a subcontractor or supplier any amounts due from the Contractor and deduct said payment from any remaining amounts due the Contractor. Before any such payment is made to a subcontractor or supplier, the State shall provide the Contractor written notice that payment will be made directly to a subcontractor or supplier. The Contractor shall indemnify, protect, save and hold harmless the Lead State, Participating Entities, and its representatives and employees, from any and all claims or causes of action, including all legal fees incurred by the State arising from the performance of the Contract by the Contractor or its agents, employees, or subcontractors. This clause shall not be construed to bar any legal remedies the Contractor may have with the Lead State's or Participating Entities' failure to fulfill its obligations pursuant to the Contract.

The Lead State agrees that the Contractor, its principals, members and employees shall not be liable to the Lead State or Participating Entities for any actions, damages, claims, liabilities, costs, expenses, or losses in any way arising out of or relating to the goods provided or services performed hereunder for an aggregate amount in excess of \$5,000,000 or the Contract amount, whichever is greater. This limitation of liability does not apply to damages for

personal injury or death, or to Contractor's obligation to indemnify, defend and hold the Lead State or Participating Entities harmless against intellectual property infringement or copyright claims under paragraph 12 of this Agreement. This indemnification does not include liabilities caused by the Lead State's or Participating Entity's gross negligence, or intentional wrong doing.

In no event shall the Contractor be liable for any third party claims other than those identified herein, nor any indirect, special, punitive, or consequential damages arising out of this Agreement or the use of the Products or Services purchased by the Purchasing Entity hereunder, nor for any lost profits, business, revenue, goodwill, or anticipated savings even if Contractor has been notified of the possibility of such damages.

28. Enforcement of Agreement/Waivers

- A. No covenant, condition, duty, obligation, or undertaking contained in or made a part of this Contract shall be waived except by the written consent of the parties. Forbearance or indulgence in any form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the other party. Until complete performance or satisfaction of all such covenants, conditions, duties, obligations, and undertakings, the other party shall have the right to invoke any remedy available under law or equity, notwithstanding any such forbearance or indulgence.
- B. Waiver of any breach of any provision of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition

If the Contractor is found to be not in compliance with these requirements during the life of this Agreement, the Contractor agrees to take appropriate steps to correct these deficiencies.

Failure to do so may result in the Contractor being held in default. This consent requirement includes reassignment of this Contract due to a change in ownership, merger, or acquisition of the Contractor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contractor's right to assign this Contract to corporations to provide some of the services hereunder.
