Lexmark C925de: key features

Features that help you optimise your work

1) Intuitive colour touch screen

The 4.3-inch (10.9 cm) colour touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2) Advanced security

Protect your device, data and network with innovative security controls, like authentication and authorisation, and an optional hard disk with disk wiping and encryption.

3) Direct USB

The front USB port allows for convenient walk-up preview and printing, and is compatible with most printable image file formats.

4) Load multiple media types

150-sheet and 250-sheet input trays and a multipurpose feeder come standard, allowing you to load three media types.

5) Front-loading toner cartridges

Cartridges are conveniently located at the front of the device for easy access.

6) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solution applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

7) Eco-friendly features

Print responsibly with easy-to-access features, including Eco-Mode to reduce paper and toner consumption, and the Sleep button to help you save energy.

Lexmark C925de: overview

Affordable A3 Colour Printing

The Lexmark C925de provides A3 (11 x 17) printing at an affordable price. With its compact design, you can also save valuable office space. Enjoy the benefits of vibrant, professional-quality output on a wide variety of media, allowing you to do more colour printing in-house. With the advanced colour technology of the C925de, you'll get excellent, consistent colour from the first page to the last.

- PANTONE® calibration for consistent colour tones
- Named Color Replacement for easy colour matching
- Supports media up to 11.7 x 48 inches
- Lexmark Color Care Technology to manage colour usage and control costs

Easy and Intuitive

The Lexmark C925de is designed for easy operation and maintenance.

- 4.3-inch (10.9 cm) colour touch screen provides audible feedback to make completing tasks intuitive
- Front USB port for walk-up printing
- Print Preview features help you select documents or specific pages within a document
- Ability to change settings, such as duplex, at the device
- Eco-friendly features and settings to reduce energy and waste.

Built for Business

Designed for medium to large workgroups, the C925de is robust enough to meet the demands of your busy colour printing environment, while offering the advanced networking, security and device management capabilities you need.

- Print speeds as fast as 30/31 ppm in both black and colour
- Standard paper input capacity of up to 450 sheets with expandability up to 2100 sheets
- Robust connectivity makes it easy to integrate into most network environments
- Preloaded solutions to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device
- Fast 800 MHz processor and 256MB standard RAM to quickly process complex print jobs
- Innovative security controls to help protect your device, data and network, including authentication and authorisation. Optional hard disk offers disk wiping and encryption
- Advanced job and user accounting to track device usage and environmental cost (hard disk required)
- Device management software available

Lexmark C925de: solutions & product specifications

Save time and money through solutions

Reduce unnecessary printing and simplify work processes with Lexmark solutions. The C792 Family features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

Below are solutions that come preloaded on the C792 Family. A diverse portfolio of additional Lexmark solutions is available to help accommodate your workflow needs.

Forms and Favourites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Background and Idle Screen

Change the touch screen background to your corporate logo, a unique message, or select one of the four screens that are preloaded on the device.

Eco-Settings

Choose from multiple print settings that help reduce energy, paper and toner consumption.

Change Language**

Easily switch the language displayed on the touch screen – 18 languages supported.

Showroom

Display a customisable, scrolling slideshow on the colour touch screen to promote your business or products, or to communicate important messages to your customers or employees.

** Option to Change Language during installation

Size (mm - H x W x D)	420 x 622 x 557 mm

Recommended Monthly Page Volume

Recommended Monthly Page Volume is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

Maximum Monthly Duty Cycle

Maximum Monthly Duty Cycle is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
