Lexmark MS521/MX521 Series

Outstanding Printer/MFP for Mid-Size Workgroups

BLI BUYERS LAB 2019 PICK

The Lexmark MS521/MX521 Series, chosen by Buyers Lab analysts as the winner of the Winter 2019 Pick award for Outstanding Printer/MFP for Mid-Size Workgroups, offers...

- Impressive user-friendliness, including an intuitive touchscreen and simple routine maintenance procedures

- Support for a wide variety of mobile options, which allows users to stay productive even when they're on-the-go

- Robust scanning, including support for a broad range of scan file types (MX521 Series)

- Comprehensive security features and excellent fleet management via MarkVision Enterprise

"The Lexmark MS521/MX521 Series is a strong value and an outstanding choice for mid-size workgroups in need of a monochrome printer or MFP," said Marlene Orr, Keypoint Intelligence's Director of Printer & MFP Analysis. "Walk-up tasks are quick and easy to accomplish, thanks to the model's intuitive touchscreen, while the well–organized print driver, which lets you save settings for frequent job types for one-click programming, makes desktop activity just as easy. Support for a broad range of mobile methods means users can print and scan from virtually anywhere. And IT administrators will appreciate standard security features like intrusion detection and automatic firmware checking, as well the high level of control offered to them by Lexmark's fleet management utility, Markvision Enterprise."

"The Lexmark MS521/MX521 Series' flawless reliability, strong productivity, and impressive ease of use make it an ideal choice for mid-volume environments," said Tony Maceri, Keypoint Intelligence's Senior Test Technician. "In addition to reliability, businesses can also count on crisp, professional-looking image quality, whether in print or copy mode. Scan-intensive environments will appreciate the wide range of file formats the MX521 supports, including Microsoft Word and PowerPoint. Any mid-size workgroup looking for a monochrome printer or MFP can't go wrong with the Lexmark MS521/MX521 Series."

About Keypoint Intelligence - Buyers Lab

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About Buyers Lab Pick Awards

Buyers Lab Picks stand alone in the industry and are hard-earned awards, as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
