Big capability. Right-sized for your business.

Xerox® MX732 and MX733
Multifunction Printers

xerox™

Powerful performance made simple.

Xerox® MX732 and MX733 Multifunction Printers

As your business grows, so do the demands on your teams. There are more documents to manage, more workflows to run and even more to secure. Meeting those demands shouldn't require bigger, more complex technology.

The Xerox® MX732 and MX733 Multifunction Printers are built for work that can't afford to slow down. They bring the performance, reliability and flexibility that demanding teams need to keep documents moving, from everyday business tasks to high-value, client-ready work, helping teams get more done without complexity.

ENTERPRISE POWER, INTELLIGENT DESIGN

The performance your workgroup needs. None of the overhead. The Xerox® MX732 and MX733 Multifunction Printers give growing workgroups the confidence to handle everyday demands with flexible media handling, expandable paper capacity and intelligent workflow automation, all in a compact device that's simple to manage and built to scale with you.

FOCUS ON WHAT MATTERS MOST

Simplify everyday document tasks with an intuitive touchscreen that makes scanning, sharing and organising documents quick and easy. Create searchable digital files*, automate routine document handling and reduce manual steps so your team stays productive.

**OCR available as an optional feature only for MX732e.*

RELIABLE PERFORMANCE. DAY IN, DAY OUT

Engineered for demanding workgroups, these printers deliver dependable performance with the durability and simplified serviceability to keep your business running. Long-life consumables, robust construction, reliable paper handling and multifeed detection help minimise interruptions, reduce maintenance and maximise uptime.

SECURITY THAT KEEPS PACE

Xerox® printers combine multilayer protection, a Trusted Platform Module(TPM), advanced encryption, secure firmware and support for card-based user authentication* to help safeguard your devices, data and documents. A modern architecture designed to support emerging hardware-enabled post-quantum cryptography standards helps keep your information protected as security needs evolve.

**Optional card reader is required.*

DESIGNED FOR SMARTER RESOURCE USE

These printers are made with more than 58% post-consumer recycled (PCR) plastic, include built-in power-saving modes, and are ENERGY STAR® certified and EPEAT® registered. The Xerox® Cartridge Collection Programme provides a convenient way for clients to return used cartridges for reuse, remanufacturing or recycling.

Designed for the way you work.

XEROX® MX732/MX733

Single-Pass Duplex Automatic Document Feeder (DADF)

Saves time by simultaneously scanning both sides of two-sided documents at up to 160/152 ipm Letter/A4. A 200-sheet capacity and multifeed detection help streamline large scan jobs while supporting reliable document capture.

7-inch Colour Touchscreen

Intuitive interface with quick access to workflows, apps and everyday tasks.

100-Sheet Multipurpose Feeder

Includes support for speciality media and custom paper sizes.

550-Sheet Tray

Includes support for Letter, Legal and Envelopes.

Optional accessories:

Convenience Stapler

Provides offline stapling of printed output and original documents. Staples up to 20 sheets.

Intelligent Storage Drive

Enables advanced workflows and embedded solution capabilities with high-performance intelligent storage.
(Optional on the MX732e only)

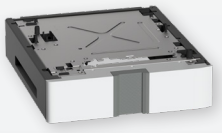

500 GB Hard Disk

Provides the highest storage capacity for large jobs, document storage and advanced workflows.

Card Readers

Enables secure card-based user authentication.

Spacer

Raises the device to the correct height for compatible floor-standing configurations and accessory installations.

Swivel Cabinet

Compact storage cabinet with a swivel design for convenient access and improved usability.

Adjustable Printer Stand

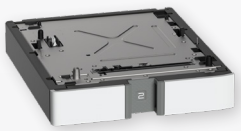

Supports the printer at a comfortable working height with integrated storage.

Caster Base

Allows floor-standing devices to be moved easily.

Optional paper feeding:

250-Sheet Tray

Add up to three additional 250-Sheet trays for extra capacity.

550-Sheet Tray

Add up to three additional 550-Sheet trays for extra capacity.

550-Sheet Lockable Tray

Add up to three additional 550-Sheet lockable trays to help protect sensitive media.

2,100-Sheet Tray

Add an optional 2,100-Sheet tray to maximise capacity. (Caster Base required.)

Not all configurations are shown on this page.
