Lexmark MX432adwe

The Lexmark MX432adwe monochrome all-in-one brings scalable solution support and enterprise-level security to small workgroups at up to 40 ppm*. Compact size with Trusted Platform Module (TPM) standard. ** Print release capability and managed print services (MPS) eligibility. Large easy-to-use touchscreen provides consistent performance across fleet. Print from anywhere with standard Wi-Fi and full mobile support.

Scalable solutions increase efficiency and savings

- Monochrome all-in-one with Trusted Platform Module (TPM) standard. **
- With the embedded solutions framework on the MX432adwe, you can add Lexmark or other supported solutions, including third-party print release with badge reader.
- Large easy-to-use touchscreen provides consistent performance across fleet.

The right fit for your business

- Compact size integrates seamlessly into tight spaces in your work environment.
- Provides security and solutions to meet the stringent requirements of different industries.
- Managed print services (MPS) capabilities make this all-in-one a perfect addition to your printer fleet.

Stay protected with enterprise-level security

- Lexmark printers and all-in-ones are designed to help protect your data, your device, and your network.
- Includes standard Trusted Platform Module** that stores encryption keys on separate hardware from the data, along with authentication and system integrity checks.
- Lexmark's expertise as a leader in document and device security is trusted industry-wide.

Easy to manage without burden on IT staff

- Sensors continuously monitor hundreds of data points that provide added benefits, like predictive service and automatic supplies replenishment, when connected to Lexmark Cloud Services.
- Lexmark Markvision Enterprise is a free device management solution that makes it easy to configure device settings, update security policies, and schedule firmware updates.

Focus on business instead of printers

- You can count on the high performance of the MX432 with fast print speeds up to 40 ppm* and single-pass two-sided scan speeds of 92 ipm.
- Print from anywhere with standard Wi-Fi and full mobile support.
- Steel frames provide durability and long-life reliability from the front office to the warehouse.

Working for the environment

- Automatic two-sided printing is standard, along with built-in energy-saving modes that help support ratings of EPEAT® Silver and ENERGY STAR® certified.
- Keep toner cartridges out of landfills with the Lexmark Cartridge Collection Programme (LCCP) that supports reuse and recycling (availability varies by country).

* Print speeds measured in accordance with ISO/IEC 24734 (ESAT). For more information see: www.lexmark.com/ISOspeeds.
** The Trusted Platform Module (TPM) is not available in some countries.

[1] Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. [2] "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. [3] "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. [4] Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. [5] Average standard page yield value declared in accordance with ISO/IEC 19752. [6] Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details.
