Enterprise capability, built around your business.

Xerox® MS731 Printer

xerox™

Powerful performance made simple.

Xerox® MS731 Printer

As your business grows, so do the demands on your teams. There are more documents to manage, more workflows to run and even more to secure. Meeting those demands shouldn't require bigger, more complex technology.

The Xerox® MS731 printer is built to make everyday work easier, bringing together dependable performance, intelligent security and thoughtful design to help teams work confidently. Its simplified serviceability and flexible capabilities give growing workgroups the support they need to handle demanding workloads with less interruption.

ENTERPRISE POWER, INTELLIGENT DESIGN

The performance your workgroup needs. None of the overhead. The Xerox® MS731 printer gives growing workgroups the confidence to handle everyday demands with flexible media handling, expandable paper capacity and the performance to keep work moving, all from a compact, easy-to-manage device.

FOCUS ON WHAT MATTERS MOST

Simplify everyday printing with an intuitive touchscreen that makes printer management quick and easy. Support for a wide range of paper types and sizes helps you produce everything from everyday documents to specialty media with confidence.

RELIABLE PERFORMANCE. DAY IN, DAY OUT

Engineered for demanding workgroups, this printer delivers dependable performance with the durability and simplified serviceability to keep your business running. Long-life consumables, robust construction, and reliable paper handling help minimize interruptions, reduce maintenance and maximize uptime.

SECURITY THAT KEEPS PACE

Xerox® printers combine multilayer protection, a Trusted Platform Module (TPM), advanced encryption, secure firmware and support for card-based user authentication* to help safeguard your devices, data and documents. A modern architecture designed to support emerging hardware-enabled post-quantum cryptography standards helps keep your information protected as security needs evolve.

* Optional card reader is required.

DESIGNED FOR SMARTER RESOURCE USE

This printer is made with more than 65% post-consumer recycled (PCR) plastic, includes built-in power-saving modes and is ENERGY STAR® certified and EPEAT® registered. The Xerox® Cartridge Collection Program provides a convenient way for clients to return used cartridges for reuse, remanufacturing or recycling.

ENGINEERED FOR SPECIALTY MEDIA

Proven specialty-media performance helps deliver reliable print quality, consistent throughput, and dependable operation in label-intensive environments, supporting demanding applications including vinyl labels and other challenging media types.

Configured to fit the way you print.
