Announcement – End of Life for the Lexmark App

19 February 2026

DESCRIPTION

This is to communicate the withdrawal and change to **'End of Life' status of Lexmark App** effective **February 27, 2026**. From this date onwards, this software will no longer receive technical support and maintenance.

All users are advised to transition to the Xerox® Easy Assist App. Xerox and Lexmark are now one company: The Easy Assist App is now compatible with both Xerox and Lexmark printers — delivering greater value and expanded capabilities for our clients.

You can download the app from Google Play and App Store.

PRODUCT AVAILABILITY

After February 27, 2026, the Lexmark App will no longer be supported.

SERVICE AND SUPPORT INFORMATION

Service availability, maintenance, and technical support will end by February 27, 2026.
